Querida Profe

BY KIMBERLEE TURNER

El vigor en tu paso	The vigor in your step
La pasión en tu voz	The passion in your voice
El desinterés de tus acciones	The selflessness of your actions
El resplandor de tu presencia	The radiance of your presence
A pensar que ya no son	To think that they are no more
Me llena de tristeza	Fills me with sadness
Pero todavía estás viva dentro de mí	But you are still alive in me
Tu vida me inspira tener vida	Your life inspires me to have life
Tu bondad me inspira ser buena	Your goodness inspires me to be good
Querida Profe,	Querida Profe,
Gracias por este último regalo,	Thank you for this last gift,
Y todo lo demás.	And everything else.

A tribute to Dr. Kate Regan
